

PROFILE

Enlisted by the **World Gold Council** as the **top 10 most inventive and ingenious jewellery designers in the world**, this graduate from the Gemological Institute of America established her own training institute at the young age of twenty and is a recipient of the prestigious '**Artisan Award 2015**' by GJEPC and the '**Singem Award for Excellence**' (gemology). Recently enlisted by the prestigious Femina magazine in their "**35 most powerful women in India, under 35**" list, Suhani was also written about in **Fortune** magazine as **one of the five people to watch out for, in India**. Been enlisted as **one of the youngest Youth Icons of Andhra Pradesh** by Passionate Foundation, Suhani has also been felicitated with the **Young Women Achievers Award 2012** for her contribution to fashion by YFLO (Young FICCI Ladies Organization).

Vogue Italia named Suhani Pittie as **one of the 5 designers to watch out for from India**. Included in the coveted "**Cool list of 30**" by **Grazia**, she has been in many **Best Dressed** lists in the country, year after year. Most recently, **Hi! Blitz** enlisted Suhani as **1 of India's Top 50 Game Changers**. Elle magazine credits the designer for changing India's perspective towards precious jewellery. Iconic auto brand Audi and south India's leading magazine Ritz conferred upon Suhani the **Audi Ritz Icon 2012 award**.

A finalist at the '**Young Fashion Entrepreneur Award '09**' held by the British Council, Suhani was handpicked to showcase her collections to an exclusive audience comprising of **Prince Charles**, Prince of Wales, Camilla Parker Bowles, Duchess of Cornwall, Prince Edward, Earl of Wessex and **Maharaja Gaj Singh Ji** at the Bal Samand Lake Palace, Jodhpur. Suhani's work was featured on the most prestigious fashion website in the world, **Style.com**.

A former **columnist** with Deccan Chronicle, The Telegraph and Indian Express, Suhani was invited as a speaker at the prestigious World Crafts Council, 2011 event held in New Delhi". **Economic Times** wrote about the designer as one of the most promising contemporary designers in the country. She's currently a contributor to India's most popular women's magazine, **Femina**.

Suhani was the first Indian jewellery designer to be selected to showcase at the **Miami Fashion Week. The Museum of Arts and Design, New York** subsequently commissioned her work. She was also selected to work with veteran artist **Thota Vaikuntum** to convert his miniature paintings into jewellery.

Swarovski commissioned the designer to create exclusive designs for them, as a part of their 10th Anniversary celebrations in India, held at the Austrian Embassy. Travel and lifestyle channel, **TLC**, for their show, **Oh My Gold**, chose to feature her work and also chose her as a **co-host** with celebrity Lisa Ray for their Hyderabad episode.

A regular at the Fashion Weeks, Suhani's work has always received accolades for their path breaking interpretation of contemporary jewellery. A favourite amongst most [bollywood stars](#), her jewellery has appeared at **Cannes Film Festival**, year after year, on L'Oreal ambassador **Sonam Kapoor**.

Her flagship store in Hyderabad which has won awards for design houses not only her range of contemporary jewellery but also a large range of handcrafted lifestyle products. Having a gifts range for weddings to corporate occasions to specific festivals, the store has introduced a new language of contemporary gifting. **Cond Nast Traveller** and **Lonely Planet** have enlisted the store in "**must visit**" destinations in Hyderabad.
